

SPECIALISTS DIAGNOSE CONDITION OF POPE

Dr. Sheppard's Brother Admits Story 'Untrue'

Statements on Position of Body Are Contradictory

CLEVELAND (AP) — The brother of accused wife slayer Dr. Samuel H. Sheppard has admitted he testified to something that was "not true."

Dr. Stephen A. Sheppard, who is alleged to have told Dr. Sam to "get your story straight," admitted Friday under cross-examination by Prosecutor Thomas J. Parrino that he gave contradictory statements concerning the position in which the body of his slain sister-in-law was found.

The 34-year-old specialist in general surgery, the first defense witness in the seven week old murder trial, testified on Thursday that at 6:15 a. m. on July 4 he entered the bedroom where Marilyn Sheppard, 31, lay in a pool of blood. He stayed one minute noting that her arms were outstretched, palms up, and her pajama top was pushed up around her shoulders, leaving her chest bare.

Position Changed
Then he was shown a policeman's pictures, taken after he had left the room but before he returned to it at 7:35 a. m. He said they showed the body on the bed with the arms changed, one of them across the abdomen, and the pajama top covering part of the breast. The testimony implied someone had changed things.

Friday he testified that on the second visit he tried not to look at the body, that he looked at her as little as possible and "carefully looked away" as much as he could. He said the first time he had known about the changes was when he inspected the photographs Thursday. He added: "The photographs were a surprise to me."

Then Parrino picked up the court record of the Thursday session and had Dr. Steve read to the jury his own Thursday testimony. The transcript showed he had said that when he went back in the second time, he observed that Marilyn's right arm had been moved "closer to her body and was partially covered by the sheet and the left arm was across the body and partially under the sheet."

Question Draws Defense Fire
"Which one is the truth, yesterday's statement or today's?" Parrino asked.

Defense lawyers immediately objected to the question but Common Pleas Judge Edward Blythin noted that the witness "is supposed to testify to the truth."

"So," demanded Parrino, "when you said, that the first time you realized there had been changes was when you observed the photos—that is not true?" Dr. Steve said.

Parrino stopped questioning right there, and court was adjourned for the weekend.

Arkansas Firm Leases Building for Eldorado Factory

Gill Montgomery, president of the Eldorado Chamber of Commerce, has announced that Eldorado will soon have its first factory as a result of Operation Bootstrap.

The Cedaroma Products company of Arkansas, with regional offices in Cleveland, Ohio, Kansas City, Mo., and Danville, Ky., plans to start operations in Eldorado not later than Jan. 1.

A three-year lease has been signed by the company for use of a building at the corner of Locust and State streets. Work has been commenced on installing plumbing and heating equipment and within a short time the factory machinery will be installed.

One of the main products of the Eldorado concern will be Cedarwicks, a deodorant.

Operations will start with ten employees and the number will be increased as the business expands.

Fire Damages Building

A vacant building at 11 North Main street, owned by K. C. Capel, was damaged by fire yesterday afternoon. Damage was confined to the rear of the building. Although the origin of the fire was undetermined, people in the neighborhood said that children had been playing around the building.

MINES

Sahara 5 and 16 work. Peabody 43 works. Blue Bird everything works. Carmac works.

SIGN DEFENSE TREATY — The United States and Nationalist China have signed a mutual defense treaty covering Formosa, the Pescadore Islands, and some western Pacific islands under the United States control. The treaty, signed for the U. S. by Secretary of State John Foster Dulles, left, and Nationalist Chinese Foreign Minister George K. C. Yeh, specifies that each signer will act in accordance with its own constitutional processes to repel any armed attack in the area. (NEA Telephoto)

SALINE COUNTY OIL REPORT: Two Excellent Drill Stem Tests On Wildcat Flanders Well

By JERRY ROBERTSON
Tri-State Oil Reporter

Two miles northeast of Eldorado, W. C. McBride owns what looks to be the best wildcat oil well in Saline county to date. It's the C. D. Flanders No. 1 in the SW corner of the NE quarter of the SE quarter of Section 10, 8s-7e, which on Dec. 2 was coring the Tar Springs at 2242.

So far, this well has two excellent drill stem tests, in the Palestine sand at 1971-88 and the Waltersburg at 2116-39. The Palestine recovered gas in 11 minutes and 780 feet of free oil. The Waltersburg gassed in six minutes and flowed natural in one hour. It is more than a mile from producing wells.

There were four completions in Saline county during the period ending Dec. 2, two making oil wells, one dry and abandoned and the fourth abandoned temporarily. Wells Completed

One oil well was Calvert's M. M. Endicott No. 4, 330 feet south and 1050 feet east of the NW corner of the SE quarter of Section 2, 8s-7e, which made a well in the Waltersburg at 2116-23. It was drilled to a total depth of 2166. Initial production was 40 barrels

Draft Chairman Arrested for Soliciting Bribe

CHICAGO (AP) — FBI agents said today that a draft board chairman solicited a \$3,500 bribe to keep a young insurance agent out of service, even though he could not insure an exemption.

The draft board chairman, Ralph Joseph Salerno, 52, was arrested Friday in the insurance office of Lewis C. Barbe, 23. Agents said Salerno was about to accept an envelope containing \$3,500.

Salerno confessed that Barbe did not come under his draft board's jurisdiction, agents said. However, agents said, he was willing to coach Barbe on faking pleurisy.

If the scheme worked, agents said, Salerno intended to take credit. If it didn't, agents said Salerno assumed Barbe would be in no position to complain.

Agents said a man telephoned Barbe that he had a friend who could "get Barbe off" for \$2,500. Acting under FBI instructions, Barbe met Salerno in a cocktail lounge where the price was raised to \$3,500 and the payoff date was set.

Salerno, a draft board chairman since 1948, was to appear before U. S. Commissioner C. S. Bentley Pike on charges of hindering and interfering with the Selective Service Act. Barbe goes into the Army Monday.

Mother of Dolph W. Davis Dies

Mrs. Amanda Davis, 83, widow of Rufus Davis and mother of Dolph W. Davis who operates U. S. 45 cafe in this city, died Friday afternoon at her home in Lebanon, Mo., after a brief illness.

Mr. and Mrs. Davis were called to her bedside last Saturday. He is her only son.

She had been in exceptional health for a woman of her years during the past summer, and enjoyed working in her yard, which was beautiful with flowers thru the season.

Her funeral will be held Sunday.

3 New County Officers Assume Duties Monday

Gardner Will Not Take Over as Sup't Schools Until August

County officers elected Nov. 2 assume their duties at midnight tomorrow—with one exception—and will make their official appearances in the court house Monday morning.

New faces will be Judge Trafton Dennis, Treasurer Maynard Cannon, Sheriff William T. "Wee" Barrett. County Clerk Don B. Garrison was re-elected to his same post and Raymond "Pete" Gardner, elected county superintendent of schools Nov. 2, does not assume his duties until next August. All these five officers are Democrats.

Dennis replaces Ralph W. Choiser, Cannon succeeds Paul Hillard and Barrett replaces Paul Spangler as sheriff. County Superintendent of Schools R. Dale Wilson will hold office until August.

Cannon has resigned as an assistant supervisor from Harrisburg township and the town board has appointed Vernon Smith, a school teacher and a Republican to his place, increasing the GOP majority on the board by one.

The new treasurer announced that his employees will be his wife, and Grace Allen and Gladys Hawkins.

Barrett announced his appointments shortly after the election. They are Everett Sneed, chief deputy; Jimmy Lyon, second deputy; Jeff Stricklin, office deputy; Jim Woolard, bailiff; and Billy Gallagher and Green Connell, janitors.

Dennis said that Miss Marilyn Towle, who has been secretary of the law firm, Rumsey and Dennis, will become his secretary as county judge.

Dennis also announced that the judge's offices will be moved from the first floor of the court house to the county court room on the second floor, where the county board of supervisors meets. The move will not affect the board meetings, however, he said, because they will be held there as they have in the past. Board meetings are held once a month.

The office room adjoining this court room also will be occupied by Judge Dennis.

There are three holdover county officers, whose terms do not expire until 1956, but there will be a vacancy in one of these offices after the first of the year. The officers are State's Attorney Glen O. Jones, Circuit Clerk Glen W. Gibbons, and Coroner Elmer W. Jones. The vacancy will be in the office of state's attorney as Mr. Jones has been elected state senator from the 51st senatorial district and will assume office in January.

Henry Accepts U. I. Presidency

NEW YORK (AP) — Dr. David Dodds Henry, assistant chancellor of New York University, accepted today the post of president of the University of Illinois.

Dr. Henry announced his acceptance of the post at a press conference after a conference in New York with Herbert B. Megram, president of the University of Illinois Board of Trustees.

Dr. Henry will assume the presidency in September.

"Mr. Megram and his associates who have visited me in New York have outlined the policies, objectives and program of the University of Illinois, and I am pleased to accept the invitation to be its administrative head," Dr. Henry said.

"The unanimity of the Board of Trustees and the support of its advisory committee in inviting me to the presidency augur well for the effectiveness of the new administration."

"The University of Illinois is one of America's greatest and the opportunities for the future are unexcelled."

Ask \$15,000 Damage From Peabody; Charge Coal Dust Damage

A circuit court lawsuit filed by Austin and Mary Reynolds asks \$15,000 damages from the Peabody Coal Co., charging that coal dust and other substances from the Peabody processing plant in Harco has damaged their buildings, water supply and land in Section 27 of Brushy township.

The suit was filed for them by the Mt. Vernon law firm, Craig and Cragg.

Recover Bodies Of Two West Frankfort Youths

CARTERSVILLE, Ill. (AP) — Search parties recovered the bodies of two West Frankfort duck hunters who drowned in Crab Orchard lake Wednesday.

The body of Jerry Merriman, 19, was brought up about 4:30 p. m. Friday.

The body of William Dunston, 19, was recovered about four hours later.

Williamson County Sheriff Ora Kirby said the bodies were "pretty close" to where their small, home-made boat capsized in water about 15 feet deep.

Three other hunters saw the accident but could not reach the scene in time to save Merriman and Dunston.

Consider Ending Wartime Benefits For Veterans

WASHINGTON (AP) — The House Veterans Committee, under new management after Jan. 5, will consider ending wartime veterans benefits such as the Korean GI Bill and restoring the benefit program to a peacetime basis.

This was disclosed today by Rep. Olin E. Teague (D-Texas), who will become chairman of the committee in the Democratic 84th Congress. Teague already has written government agencies and veterans groups for their views on continuing the scholarships and other benefits of the GI Bill.

Returning to a peacetime basis would not affect wartime veterans rights already accumulated or accrued between now and the possible cut-off date. Men having served in the wartime period could continue to claim their wartime benefits.

Teague emphasized that he has not made up his mind on the issue. However, as chairman of a special committee that drafted the Korean GI Bill he said he is certain Congress did not intend it as permanent, peacetime legislation.

To get a decision on when the program should be terminated, Teague said he will introduce in January a bill to end further accumulation of eligibility under the GI Bill except for those men who get into service through the draft.

Volunteers, under that proposal, would no longer become eligible for the free schooling and other benefits under the GI Bill.

Putting a cut-off on the GI Bill would not directly affect the termination of other wartime benefits for veterans. However, the two tied together so closely action on one probably would prompt similar action on the others.

Peacetime compensation rates for service-incurred disability are only 80 per cent of those paid for disabilities incurred in wartime. Pensioners for non-service-connected disabilities are paid only for wartime service.

According to Veterans Administration estimates termination of the GI Bill benefits, and putting other veterans benefits on a peacetime basis, would save 300 million dollars yearly. VA has taken no stand on whether this should be done.

Former Eldorado Resident Dies

Theodore Sauls, former Eldorado resident, died in Alton. The body will be returned to the Eldorado funeral home, and funeral arrangements will be announced later.

Peabody President Says Cost-Cutting, Reorganization Has Aided Company

CHICAGO (AP) — A drastic campaign of reorganization and cost-cutting has put Peabody Coal Co. in an excellent financial position and it can expect to increase production soon, according to company officers.

Peabody President Otto Gressens said this week that the firm would have "gone under" if it had not closed or curtailed many of its marginal operations last year.

Another factor, he said, has been reorganization of the Peabody sales force to eliminate so-called "dealer" salesmen and replace them with technically-trained men who can "talk turkey" with engineers concerning fuels for high-pressure boilers.

Gressens and Peabody's financial vice-president, R. J. Snider, discussed the future of the firm and the coal industry at a meeting this week before the Investment Analysts Society of Chicago.

Gressens emphasized that he believes the industry's future lies in providing fuel for industry. "I doubt if home owners who become accustomed to the convenience of gas or oil can ever be lured back to coal no matter how attractive the price," Gressens said.

However, he said, most firms now planning to build plants along

Democrats Seek to Head Off Battle Royal Over Election of Chairman

NEW ORLEANS (AP) — Democratic leaders worked feverishly today to head off a battle royal over the choice of a new National Committee chairman.

A flurry of caucusing was expected during the morning in efforts to head off a free-for-all fight on the floor of the Democratic National Committee meeting to name a successor to National Chairman Stephen A. Mitchell.

This is the first time in a quarter-century that the Democratic party has found itself in such a predicament. Heretofore they always had a Democratic president who named the chairman himself and his choice was merely approved by the Selection Committee.

Front runners for the post were Paul Butler, committeeman from Indiana; former price administrator Michael V. DiSalle, and James Finnegan, president of the Philadelphia City Council. Mitchell has said nothing will keep him from resigning on Jan. 1.

Santa Claus' Britches Drop

KEY WEST, Fla. (AP) — Santa Claus' britches dropped as he stepped from a fire engine Friday before a crowd of children and mothers.

Bystanders reported Santa quickly hitched up his trousers, covering what appeared to be a regular pair of street pants.

Fred Wasson To Address County Group

The December meeting of the Saline County Historical society will be held in the lower rooms of the Mitchell-Carnegie library at 7:30 p. m. Tuesday.

Mrs. Marie Armistead, Mrs. Zola Sloan, Mrs. Ada Reese, and Mrs. Geneva Davenport will relate the history of many of the Christmas traditions. The poem, "A Visit From St. Nicholas," will be read by a member of Mrs. Armistead's second grade and Mrs. Davenport will lead the assembly in singing the "real Christmas song" Silent Night.

The Christmas season is a time in which we should forget troubles, trials, and cares and concentrate on happy experiences. Members and guests are asked to stop, for a minute, and recall their happiest Christmas and be prepared to share this happiness with the society.

Fred Wasson of Carrier Mills who spent September touring South America as a representative of the Baptist Brotherhood will be in charge of the feature part of the program. Mr. Wasson is an interesting and forceful speaker with a wealth of experience. His talk, which has been intentionally scheduled for the Christmas season, will help all enter into the proper spirit for the celebration of the birth of Christ. Beautiful colored slides will assist in telling the story that Mr. Wasson will present.

The Hospitality committee is composed of Mrs. Mary Farley, chairman, Mrs. Katie Wasson, Mrs. Pauline B. Purcell, and Mrs. Frances Van Trease.

The primary objective of the S. C. H. S. is to arouse and stimulate interest in history. Interested guests are always welcome and urged to attend all meetings of the society.

16 Allies Speed UN Action to Free Americans

UNITED NATIONS, N. Y. (AP) — The United States meets with its 15 Korean allies for the third straight day today to expedite UN action on the case of 11 American aviators jailed by Communist China on espionage charges.

The 16 nations already have agreed to demand U. N. action at the "earliest possible date" and it was believed the United States may present the demand today. The United States was steering clear of the Security Council where Russia exercises a veto.

Secretary of State John Foster Dulles, who flew here Friday from Washington to look into the matter of the imprisoned fliers did not attend a meeting of the 16 combatant nations, but it was believed he urged earliest possible action.

The General Assembly met this morning to approve President Eisenhower's "atoms for peace" plan which was approved unanimously last week by the 60-nation Political Committee. Another unanimous vote was expected.

The prisoner issue may come up this afternoon as the assembly met on Saturday to expedite adjournment in time for the Christmas holidays. If the prisoners subject does not come up today it will be introduced Monday.

Death Takes Mrs. Nellie Alice Peak; Funeral Monday

Mrs. Nellie Alice Peak, 616 West O'Gara, died suddenly yesterday at 9:15 p. m. at the age of 65. Death was due to a heart attack.

She was the daughter of John and Patsy Douglas, born Dec. 22, 1888, in Harrisburg, and married Oram Peak who passed away in 1943. She was a member of the First Methodist church and had resided in Harrisburg all of her life.

Surviving are two children, Herbert Peak, and Mrs. Glenn (Bessie) Amberger, both of Harrisburg; three sisters, Mrs. Clara Edwards, Mrs. Della Perkins and Mrs. Belle Wilgus, all of Harrisburg; two brothers, J. A. Douglas, Harrisburg, RFD 2, and Louie Douglas, Indianapolis, Ind., and four grandchildren.

The funeral service will be held Monday at 2:30 p. m. at the Gaskins funeral home where the body now lies in state. Rev. W. L. Cummins will officiate, and burial will be in Sunset Hill cemetery.

Home Burglarized At Liberty

The home of Mr. and Mrs. Woodrow Owens, at Liberty, was burglarized Friday evening. Entrance was made by cutting the screen and unhooking the door.

Missing are a 20 gauge shotgun and shell, Mr. Owens' suit and three shirts, work clothing, and new shoes, also \$10 which belonged to the Liberty Baptist Training Union. Mrs. Owens was at a Lottie Moon program at the church when the robbery occurred.

Report Pontiff Recovering From Illness

Statement Rules Out Possibility Of Tumor or Cancer

VATICAN CITY (AP) — Pope Pius XII is suffering from a "gastric or ulcerous condition" possibly complicated by systemic poisoning, an official Vatican announcement said today.

It ruled out the possibility of a tumor or cancer in the digestive tract.

The Vatican press said the diagnosis was made by two specialists who examined the 78-year-old pontiff at 11 p. m. Friday night.

"The hiccup which the holy father has suffered periodically can be attributed to the gastric or ulcerous condition caused by the large amount of gastric acidity which has been found," the statement said.

It is not to be excluded that a toxic cause may have contributed to the existence of this syndrome group of symptoms," it added.

But the statement said, "from the objective point of view, the conditions of the heart and circulatory systems are excellent and the lungs are undamaged."

The two consultants who reported on their examination are An-

Pope Pius XII

tonio Gasbarrini of the Italian Society of Gastroenterology and Raffaele Paolucci of Valmaggiora of Rome University's surgical clinic. They reported to the pontifical doctor, Prof. Riccardo Galeazzi-Lisi.

Rule Out Tumor

"The clinical facts that emerge lead to the conclusion that, although it is not possible to carry out a complete radiological X-ray examination, the presence of a tumor in the digestive tract can be excluded," the announcement said.

A young surgeon attending the Pope believed his life was "no longer in immediate danger."

Dr. Luigi de Stefano, staff surgeon of the Saviour of the World hospital, said he was happy to announce that "the Pope is recovering rapidly" from the illness that caused worldwide anxiety.

"Personally I believe that his life is no longer in immediate danger," Dr. Stefano, 37, said. "With the treatments we are carrying out I hope that he can soon be cured."

Other doctors called in to examine the Pope said they considered the Pope's condition still grave and emphasized by no means did they consider him out of danger.

The Pope mustered enough strength to hear mass from German Jesuit Father Robert Leiber and consult with two cardinals for 20 minutes.

Considerable Improvement
De Stefano said he, Valmaggiora and Gasbarrini again examined the Pope and found a "considerable improvement."

"I can say that Pius XII is in the best spiritual condition, although I cannot at this point say the same for his physical state," De Stefano said.

Valmaggiora once treated Italian dictator Benito Mussolini.

The consultation lasted for two hours and 30 minutes. Also attending the extraordinary conference were the Pope's nephews—Princes Marcantonio, Carlo and Giulio Pacelli—and Msgr. Giovanni Battista Montini, recently named archbishop of Milan.

Montini is one of the Pope's closest associates and often has been mentioned as a possible successor to the papacy. Until he was elevated to the archbishopric he served as pro-secretary of state for ordinary affairs in the Vatican and sometimes is called the Vatican's "foreign secretary."

Items of Agricultural Interest

Farm Prices Show Only Slight Increase

WASHINGTON (UP)—Farm
prices increased slightly during the
past month, but the farmer's stand-
ing on the economic ladder is un-
changed from mid-October.

The Agriculture Department
Tuesday reported that even though
farm prices rose eight-tenths of 1
per cent during the month ended
Nov. 15 and the farm cost index
remained stable, the gain was too
small to change the overall farm
price-cost picture.

It said farm prices in mid-
November still averaged 87 per
cent of parity as they did in mid-
October. In mid-November last
year farm prices averaged 90 per
cent of parity.

The report showed that increases
in prices of commercial vegeta-
bles, potatoes, eggs, milk and
wheat were responsible for halting
a two-month decline in farm prices.

Gains in prices on those crops
offset lower prices for cotton, or-
anges, corn and beef cattle.

"CORN KING"—Willard C. Kirk,
43, Jefferson, Ohio, smiles proudly
as he displays his corn entry which
won the title of "Corn King" for
him at the International Hay and
Grain show in Chicago. Kirk was
belatedly named winner after origi-
nal "King" was disqualified when
it was discovered that some kernels
were glued in place.
(NEA Telephoto)

"SOY BEAN KING"—Ben Gildersleeve
of Hudson, Ill., won another
award at the International
Hay and Grain show at Chicago
when he was crowned "Soy Bean
King." Gildersleeve was soy bean
king at the show in 1951 and 1952.
He won this year's "Shell Corn
King" title for the second time,
having won it previously in 1952.
(NEA Telephoto)

Lower Prices Can Increase Milk Sales

One of the best ways to get
people to drink more milk is to
lower the price, believes R. W.
Bartlett, University of Illinois Col-
lege of Agriculture dairy market-
ing specialist.

A chain grocery in Champaign-
Urbana increased its milk sales by
26 percent in one week by lower-
ing the price of a quart of milk
two cents, Bartlett says. The price
reduction was announced in full-
page ads in two local daily papers.

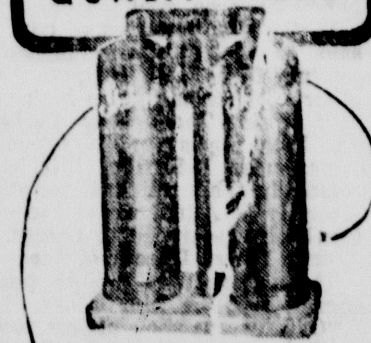

For every 100 quarts of milk sold
during the previous week in 10
stores in the chain, the company
sold 126 quarts during the week of
the sale.

In the week following the spe-
cial sale, the price was raised to
its original level. Sales were still
9 percent higher than they were
the week before the sale.

This practical experiment shows
what stores can do to increase
milk sales by cutting their profit
margins by a cent or two, the
marketing specialist points out. He
hopes that other stores will carry
out similar tests and report their
results.

Alcoholism is a ground for di-
vorce in the majority of states.

Egg Picture Bright for 1955

Poultrymen who were hit hard
by low prices in 1954 can be opti-
mistic about 1955.

Emer Broadbent, University of
Illinois farm economist, believes
that prices will behave normally in
1955. That means, he says, that
early chicks will be producing eggs
when prices are good.

Normally, Broadbent explains,
egg prices are 30 to 50 per cent
higher during the late summer and
fall than during the winter and
spring. But prices haven't behav-
ed that way during the past 12
months.

High egg prices in 1953 caused
poultrymen to keep old hens after
pullets had started to lay and to
start more chicks in the spring of
1954. This heavy production,
Broadbent explains, plus a heavy
flow of storage eggs coming onto
the market caused a surplus. The
large supply held prices down.

October production was 38 per
cent above normal, Broadbent says.
This excess plus the normal heavy
winter production will keep egg
prices lower than average until
about June. But after June they
should behave normally.

Eldorado FFA Purchases Meat-Type Hog

The Eldorado Township high
school FFA has been cooperating
with several of its members in
trying to provide better sires, for
the purpose of improving the breed.
Approximately 75 per cent of the
boys carrying on swine programs
at home, have the Hampshire
breed. This has made it possible
for the FFA boys to pool their
funds to cooperatively buy out-
standing boars for breeding pur-
poses.

The first boar bought by the as-
sociation was purchased from the
Rayburn Brothers' farm near
Champaign in 1952. Since, the boys
and their adviser, H. C. Bishop,
have been looking around for the
new meat-type boar, which has a
lot of length and smooth conforma-
tion. Mr. Bishop located such a
boar on the McGill-Smith Swine
farm, five miles south of Eldorado
on Highway 142, and yesterday the
boar was purchased for an undis-
closed sum, which was within the
reach of the boys' financial means.
The male hog was taken to the
Etsel Garrett farm where he will
stay for a period of 30 days, then
he will be transferred to another
boy's farm for another 30 days, and
so forth until he has completed
the service cycle.

The value of this program en-
ables the boys to take advantage
of outstanding animals with P. R.
records behind them at a very rea-
sonable cost to the individual co-
operator. The boys hope to in-
crease the number of pigs farrow-
ed per litter through an improved
feeding program, and the pigs far-
rowed should be capable of mak-
ing faster gains on less feed per
100 pounds pork gain.

Most widely distributed tree in
North America is the American
aspens.

GRAND CHAMPION STEER—Janice Hullinger, 16, of Manly, Ia.,
proudly holds on to her black Aberdeen Angus steer, "Shorty," after
it was crowned "Grand Champion" of the International Live Stock
Exposition show in Chicago. The steer, one of nine blue ribbon winners
which squared off for the finals, was sold for \$15 a pound and brought
\$16,650.

Is Lime Profitable?

To any farmer the success of the
operation he is conducting shows
itself in the profit he achieves
from that operation. Likewise ev-
ery facet of his operation should
be profitable.

When a farmer studies his yearly
accounts, he will be especially alert
to trim any non-essentials or dis-
continue any practices that cannot
pay their way.

Because it represents a substan-
tial outlay, the fertilizer and lime
bill will be subject to exception-
ally close scrutiny. Does it pay?
The following evidence indicates
that it does:

1. In the heart of the wheat belt,
in a corn, soybeans for seed, flax,
wheat, oats and sweet clover ro-
tation, a three-ton per acre appli-
cation of lime brought a monetary
increase of \$28.71 or \$4.79 extra
per acre per year.

2. In an eastern seaboard state,
one ton of lime per acre increased
the value of Laidlaw Clover \$40.00.

3. In a typical midwestern ex-
perimental field, \$1.67 worth of
limestone for a rotation of corn,
wheat, hay, increased the crop
yields \$13.86 per acre per rotation.

4. In a Middle Atlantic state, 2
tons of limestone in an 8-year ro-
tation increased the value of the
rotations \$96.32 or \$12.04 per year.

5. In an eastern state one ton
of lime increased the feed in a six-
year rotation \$75 worth, or \$12.50
per acre per year.

6. Recent figures show at least
\$6.00 return for each \$1.00 spent
for lime.

7. In a midwestern dairy state,

Poor Management May Cause Mastitis In Dairy Herd

You may be paying a larger
share of the cost of mastitis than
is necessary if you use dairy herd
practices that favor the develop-
ment and spread of the disease.

For instance, Dr. H. S. Bryan,
College of Veterinary Medicine at
the University of Illinois, says that
there is evidence to show that faulty
dairy cattle housing is one cause
of mastitis.

Udder injuries caused by high
steps at barn entrances, improper
stall platforms or cows' lying on
cold floors or in wet bedding or
wading through deep mud may
lead to mastitis, according to Dr.
Bryan.

Improper milking procedures
may also help cause mastitis to de-
velop and spread. Leaving milkers
on too long, improper vacuum or
rate of pulsation of milking ma-
chines, and failure to disinfect test
cups between cows may add to the
mastitis bill.

Dr. Bryan recommends that dai-
rymen use deep bedding for their
cows and clean up or remove any
obstacles in the barn or barnyard
that may cause udder injury. Then
check milking procedure and keep
a careful check on the cows by
using the strip cup daily or brom-
thymol blue test cards to detect
any mastitis that develops.

If evidence of the disease ap-
pears, early treatment will help to
prevent serious losses. See your
local veterinarian for advice on
herd management and mastitis
treatment.

BIBLE THOUGHT FOR TODAY
Men ought always to pray and
not to faint.—Luke 18:1.

Faith is a sublimated kind of
courage. By faith a desert tribe
was raised to great power and dig-
nity. Humble men have become
heroes.

Sharpen scissors by cutting a
piece of sandpaper a couple of
times.

James H. Doolittle, on Sept.
24, 1929, made the first all-in-
strument flight in aviation.

Women of Baptist WMU
Visit Nursing Home
A group of W. M. U. women from
the Raleigh Baptist church visited
in the nursing home in Galatia
Sunday afternoon. Rev. and Mrs.
Delmar Feazel accompanied the
group as the pastor was unable to
be present. Three were saved and
one was rededicated.
Rev. Feazel delivered an inspir-
ing message. Those attending
were Mrs. G. C. Weir, Mrs. Essie
Musgraves, Mrs. Lula Cravens,
Mrs. Winnie Newcomb, Miss Teora
Greenfield, Miss Zella Greenfield
and Rev. and Mrs. Feazel.

Mr. and Mrs. Eldred Hale visited
Sunday with Mr. and Mrs. G.
C. Weir.
Thanksgiving day guests in the
home of Mr. and Mrs. G. C. Weir
were Mr. and Mrs. C. L. Reed and
Mrs. Madge Frailey of McLeans-
boro and Mr. and Mrs. Jay R.
Weir and family.
Mrs. Essie Musgraves spent
Thanksgiving with Misses Teora
and Zella Greenfield. Mr. and
Mrs. Floyd Greenfield were din-
ner guests also.
Rev. H. T. Taylor is in a revival
at Grayville.

Miss Diane Mathis is a patient
in the Lightner hospital where she
underwent an appendectomy Tues-
day.
Miss Darlene Goodson has been
released to her home following
minor surgery at the Ferrell hos-
pital Monday. She underwent an
adenoid and tonsil operation.
Recent callers at the home of
Opal and Darlene Goodson were
Mrs. Essie Musgraves, Mrs. Mavis
Taylor, Mrs. Della Cain and Rev.
and Mrs. Roy Hudson of Galatia.

Galatia
Register
Mrs. Edna Jones
Representative

Kathleen Smith of Evansville,
Ind., is vacationing at the home
of her mother, Mrs. Bertha Smith.
Mrs. Della Tate, who has been
in Wood River for some time, has
returned to Galatia for the winter
at the home of her daughter, Mrs.
James Manker.

Mr. and Mrs. Joe Tate have re-
turned from Fostoria, Ohio, where
they have been visiting their
daughter, Mrs. Marie Crabtree
and family.

The Dorcas class of the Galatia
Baptist church held its annual
Christmas party at the home of
Mrs. Mary Allen Thursday, Dec.
2 with potluck dinner and gift ex-
change. Attending were Nell Ir-
vin, Tessie Carlyle, Doris French,
Nancy Cantrell, Grace Crabtree,
Mrs. Cardwell, Ida Todd, Irma
Parks, Ethel Dickerson, Aude Al-
len, Minnie Wilson, Ida Slaven,
Aleta Davis, Nora Tate and Mary
Allen.

Arrested
Walter Starks of Mill Shoals was
arrested last night by city police
on North Main street and was
charged with driving while under
the influence of alcohol and illegal
transportation of liquor in com-
plaints before Police Magistrate
Charles McKenzie.

Marriage Licenses
Jack Linder, 21, Mill Shoals, and
Velma Williams, 18, McLeansboro

Truck Loaded With Explosives 'Blows Sky-High'

OWATONNA, Minn. (AP)—A huge semi-trailer truck loaded with white powder explosives "blew sky high" early today when friction ignited a fuse which while the truck was being refueled.

Authorities said it sounded like "the town was being bombed," but, by a "miracle," no one was hurt.

The blast demolished the truck and the gasoline station and badly damaged a two-story apartment building across the street. Flying debris broke windows and started fires in four upstairs apartments.

Damage was expected to exceed \$50,000. Occupants of three of the burned out apartments fled in night clothes and no one was home in the fourth.

It was the fourth explosives-loaded Watson Brothers truck of Omaha, Neb., to explode in 14 months.

An explosion near Boys Town, Neb., on Oct. 9, 1953, killed three persons, and on Oct. 20, 1953 another explosion blasted a huge crater in the highway near Astell, Neb.

On Dec. 9, 1953, a Watson Brothers truck exploded near Malvern, Iowa, and whizzing shrapnel kept firemen at bay for more than an hour.

Mr. District Attorney
Program Over WEBQ
Packs Family Appeal

Always a top-rated mystery, the new Mr. District Attorney pro-
gram, heard locally on station
WEBQ every Monday at 6 p. m.,
proves again that pulse-pounding,
fact-paced entertainment can be
wholesome family fare.

The Parker Oil company, sponsor of the series, pointed out that Mr. District Attorney is the ex-
citing, suspenseful story of our
law enforcers in action, with tech-
nical supervision through the co-
operation of the Los Angeles law
enforcement agencies.

Mr. District Attorney packs the kind of humor, action, and excite-
ment the whole family can enjoy
... no bloody horror tales ... no
glorification of crime or criminals.
Every episode presents a modern,
scientific, realistic fight for law
and order.

Hollywood star, David Brian,
plays the part of Mr. D. A.

Lists Additional
Purchasers of
Christmas Seals

Additional purchases of Christ-
mas Seals were announced today
by Mrs. Naida Seiright Upchurch,
chairman of the drive for the Sa-
line County Tuberculosis associa-
tion. She lists the following:

\$10: Dr. Warren D. Tuttle, Reg-
ister Publishing Co., Gaskins fu-
neral home;
\$5: Dr. Frank P. Skaggs, Paul
Endicott, Hayes Bartmess, Ed and
Florence Heister, Egyptian Bever-
age Co., Joseph M. Hart, Durham
Hardware, Eagles No. 2498, Eldora-
do, Gene Boatright, Dr. B. G. Funk-
houser, Barter Drug store, Walter
J. Bargman, Charles M. Sutton.

Mrs. Upchurch also announces
that members of the Harrisburg
Woman's club will have a desk in
the lobby of the First National
bank Monday through Saturday
next week to sell seals to those
who failed to get them in the mail.

Christian Church
Campaign Nears
Completion of First Week

The "Christ for Everybody"
campaign at the First Christian
church is nearing the completion
of the first week of its scheduled
services.

Appearing for the second time
in this city are the J. B. Smiths of
Newman, Ill., and Jack Anderson
of Sullivan, Ind., to assist the regu-
lar pastor, Mr. Glen Daugherty.
The Smiths have charge of the
musical portion of the service
nightly and they have specialized
in duets, solos and dramatic read-
ings. Each afternoon, they have
worked with the boys and girls in
the Smith Sing and Story hour at
the church and 155 youngsters have
responded to this session's work.
They displayed what they had
learned at a special service on Fri-
day night of this week!

Mr. Anderson has presented
masterful messages each night
on such themes as "Love Is Of
God," "Let Your Light So Shine"
and "The Great Questions of the
Bible!"

The church cordially invites ev-
eryone to attend as the services
continue nightly (except Saturday)
at 7:30.

Primary Children to Present Christmas Program at Horace Mann Monday Night

Monday, Dec. 6, at 7 p. m., the primary children at Horace Mann school will present the annual P. T. A. Christmas program.

Dazzling in glitter and colored lights, with unique costuming, the performance promises to be spectacular.

The theme, "Christmas In Song and Story," has been done in room units, each fitting into the whole, characterizing every phase of Christmas from snowmen, Santas, dolls, Christmas party, Christmas Eve, angels and bells to the Man-
ager tableau.

Mrs. James Gwaltney, Horace Mann P. T. A. president, has worked with the teachers and children in preparation as accompanist.

Groups and children participating are as follows:

ANGELS — Kindergarten — Vicki Aud, Sarah Blackwell, Karen Borders, Steven Burns, Howard Bush, Margaret Cedarstaff, Kenny Clore, Sharon Cooper, Claudette Hudes, Larry Kimmons, Charlene Littlefield, Jack Miller, Lana Mitchell, Ethelene Neal, Marlene Stille, Richard Lee Omahundro, Bertis Pickford, Joe Potts, Bruce Rheude, Jamie Reeves, Richard Rumsey, Linda Rust, Francis Schalasky, Gerry Williams, J. P. Woodard.

"FROSTY, THE SNOWMAN" — First Grade—Iola Sullivan, teacher: Patricia Abney, Linda Alexander, Maureen Bardos, Anita Barger, Denette Feazel, Alfred Fox, Leda Grimes, George Gelsosky, David Hall, Charles Hester, Margaret Hollingsworth, James Hurst, Ruth Hurst, Jerry Jackson, Sandra Jarrell, Madonna Kennedy, Brenda McGill, Jack McNichols, Janalee Miller, Linda Lou Miller, Robert Neal, Randy Questelle, Patricia Seats, Leslie Vaughn and David Westmorland.

"MR. AND MRS. SANTA CLAUS" — First Grade — Mattie Martin, teacher: Linda Alexander, Bob Chambers, Bill Chambers, Bobby Cook, Richard Cooper, Letitia Crowell, Jimmy Downs, Eugene Griffith, Gene Hauptmann, Mike Hudes, Janice Ann Hunter, Lynn Ledford, Patsy Leonberger, Larry Mayberry, Janice Faye Lloyd, Jane Morris, Rickey Parker, Linda Ann Penrod, Mike Price, Wynona Roberson, Melanie Schork, Vicki Lynn Stump, Patsy Topley, Sandra Vaughn, Tina Vaughn, Ray Wilson, Buddy Ziegler, Nancy Dalton, Barry Fletcher, and Jimmy Largen.

CHRISTMAS PARTY — Second Grade — Bessie Kerley, teacher: Sandra McNece, Pamela Reeves, Danny Huston, Vicki Owen, Karen Kimbrell, Henry Dooley, Terry Griffith, Donald Bryant, Dickie Griffin, Peter Hudes, Ray Spelling, Lester Yarbber, Beverly Banks, Dianne Piper, Robert Kerley, Louise Wilson, and Gregory Empson.

CHRISTMAS DOLLS — Kindergarten — Mayme Carroll, teacher: Gordon Lee Allen, Darlene Anglin, Richard Bean, Connie Cape, Curtis Coffee, Donald Evard, Ronald Fox, Phyllis Hester, Lavonna Lamar, Stephen Nyberg, Penny Parker, Robert Sanders, Leta Sperting, John Stuby, David Thompson, Gerald Vaughn, Janice Vaughn, Carol Wilson, Suzie Wolfe, Owen Woolcott, Joe Woolcott, Larry Owen, Judy Tuttle and Carol Gwinn.

"THE NIGHT BEFORE CHRISTMAS" — Third Grade — Hazel Robson, teacher: Cecelia Abney, Karen Anglin, Mike Chambers, Brenda Davidson, Sharon Davis, Judy Frazel, Brian Henderson, Alexander Garnett, Dennis Irvin, Charles Kerley, Dennis Kennedy, Linda Mayberry, Katie Lu Miley, Tommy McClelland, Bobby Neely, Sandra Neville, Sharon Piantkowski, Margaret Robinson, Jerry Ruby, Doug Short,

"LEST WE FORGET"
The first Sunday in each December is set apart as Memorial Sunday, a day for Elks to pay a tribute to those Brothers who have passed on. It has long been a custom in our Order on Memorial Sundays to invite our families, our friends and acquaintances, and the public, to join us on the day of recollection.

You are respectfully invited to attend our Memorial Services Sunday, December 5th, at the First Presbyterian Church at 2 p. m.

IN MEMORIAM

In loving memory of our dear husband and father, James Pickavance, who passed away eleven years ago today, December 4, 1943.

Some say time heals an aching heart,
But we find that isn't true.
For we miss you just as much today
As we did eleven years ago.

Loving Wife, Children
and Son-in-Law.

To Build Rotocycles
For Marine Corps

WASHINGTON (AP)—Two rotor- cycles — those one-man portable helicopters — are going to be built for the Marine Corps for experi- mental purposes.

The new flying machines will be used for battlefield observations, liaison, escape and small unit man- euvers.

Contracts awarded by the Navy call for "a machine which can be collapsed into a small package for easy transportation and quickly as- sembled."

VISITS CARRIER MILLS AFTER 42 YEARS

Mrs. Ernest Hutson and daughter, Helen, of Redondo Beach, Calif., visited last week with friends and relatives in Carrier Mills and vicinity. Many pleasant hours were spent with friends of long ago, it being 42 years since Mrs. Hutson had made a visit to the old home town.

Many changes were noted and old landmarks were hard to estab- lish.

They were especially interested in our strip mines, taking a sample of coal home to show their friends.

Among the many friends visited were Aunt Nora Thompson, Mrs. Bertha Molsinger, Aunt Jane Puck- ett, Mr. and Mrs. A. V. Tuller. They also visited relatives in West Frankfort and McLeansboro.

Mrs. Hutson is a sister-in-law of Mrs. Fannie Pyle, Mrs. Myrtle Hut- son and Mrs. Orpha Gross.

Handi-Crafters Learn
How To Make Candles
The Handi-Craft club of Carrier Mills met Tuesday afternoon with Mrs. Anna Ritter for a special les- son in candle making. Mrs. Ritter and Mrs. Pete Holmes gave the lesson.

Those present were Mrs. Mollie Parks, Mrs. Pauline Beasley, Mrs. Beverly Williams and daughter, Mrs. Bea Wible, Mrs. Margaret Wible, Mrs. Alene Keel, Mrs. Aline Hart, Mrs. Seava Rodacker, Mrs. Mary Louise Martin, Mrs. Selta Volant, a guest, Mrs. Gertrude Rus- sel, Mrs. Holmes and Mrs. Ritter.

Two Killed in
Auto-Truck Crash

SPRINGFIELD (AP)—Two per- sons were killed and another was injured Friday night when an auto and a semi-trailer truck collided on U. S. 36-54 about 15 miles west of here.

Police said the truck, driven by George Hooker, Independence, Mo., apparently was starting to pass as the car began a left turn. The auto turned over in a ditch af- ter the collision and the truck top- pled on top of it, trapping the pas- sengers inside.

After two hours, rescuers re- moved the bodies of Clarence Russell, 46, Loomis, and a neighbor, Mrs. Lettie Edwards, 68, Rus- sell's wife, Louise, was seriously hurt.

Hooker escaped injury.

Sulphur Springs

The weather is so much in favor with the corn pickers.

Those who called on Mr. and Mrs. K. Church Sunday evening were their daughter, Mrs. Gladys Godbey, and her close friends from Centralia.

Mr. and Mrs. William Haney and Mrs. Earl Hathaway attended the good series of meetings at Walnut Grove Sunday night. Mr. and Mrs. Kressa Church attended the Mon- day night meeting. Virgil Ewell is the song leader. Walnut Grove church is beautifully decorated.

Several visited home folks on Thanksgiving.

Mrs. Jim Carnett has a new quilt put in.

Mr. and Mrs. Certain had Harris- burg relatives visiting with them on Thanksgiving.

Mrs. Gladys Godbey is taking in dress making and other handiwork at her home in Eldorado.

Mrs. Mary Lee Adams has re- turned home from Evansville, Ind., after visiting with her sick brother, Jimmie, who is not much better.

K. Church is the last in the com- munity to keep on picking corn. He reports that he has the nicest corn he has raised in five years.

The first Sunday singing will be held with the Carrier Mills singers the first Sunday in December. Ev- eryone is invited to attend.

Nine Former Klan
Members Sentenced

WILMINGTON, N. C. (AP)—Nine former members of the Ku Klux Klan received suspended sentences Friday on charges of kidnapping and flogging a brother and his sister.

Federal Judge Don Gilliam, Tar- boro, N. C., gave each of the de- fendants a suspended sentence of 18 months for violation of the Lind- bergh kidnap law. Four of the defendants received fines in ad- dition. All were placed on good behavior for two years. Three other defendants were acquitted.

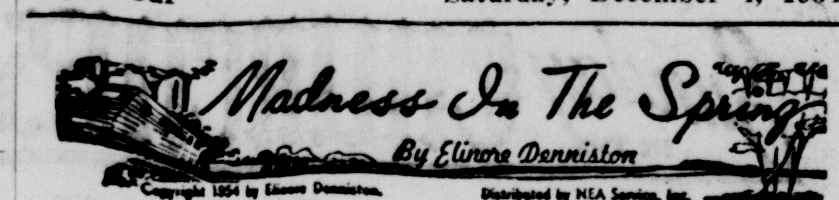

Estimate West Ahead of East in Air- Atomic Power, But Reds Have Manpower

WASHINGTON (AP)—Military ex- perts here estimate that the West is ahead of the new Communist European security organization in air-atomic power, but that the Reds are ahead in "ready" divi- sions, fighter planes and submar- ines.

The experts said the Commun- ists may have four times as many armed men as the West in case of war but cannot match the West's power to deliver atomic bombs.

In a battle for Europe, the Krem- lin could draw on 175 Russian di- visions, 80 satellite divisions, up to about 10,000 of Russia's 20,000 planes and large numbers of an estimated 375 Soviet submarines, the experts said. But with Rus- sia's defense commitments in the Pacific, not all of these forces could be thrown into a European struggle.

The possible four-to-one numeri- cal advantage for the Reds comes from 4-12 million men under arms in Russia and the satellites. The Communists also have about 1-2 million men in air units, many more than the North Atlantic Treaty Organization has in West- ern Europe.

Shawneetown, Vienna, Cave-in-Rock Win Greater Egyptian Conference Tilt

Barney Genisio's unbeaten Shawneetown five continued to set a blistering pace in the Greater Egyptian conference race by dropping winless Rosiclare last night, 68-45, on the Bears' home court. It was the seventh straight loop victory for the Indians without defeat and their eighth triumph of the season.

In other conference games, Vienna held off Ridgway, 79-71, to strengthen their grasp on second place, and Cave-in-Rock took Pope Co.'s third place berth with a 53-52 victory over the Pirates. Equality's one-point decision over Galatia, 42-41, gave the Cards a tie with Ridgway for fifth place.

Jack Nolen had his best night of the season in sparking Shawneetown to victory. Nolen collected 35 points. The Indians led 15-10 at the quarter and 31-22 at the half. Rosiclare continued to stay within striking distance of the invaders throughout the third and trailed only 48-37 going into the finale.

The Genisios rebounded well but were off their usual shooting form. They hit only 39.5.

Ridgway fell behind Vienna's veteran aggregation in the early minutes and never found the needed punch to overhaul their hosts. Down 22-15 at the quarter, the Eagles were 43-33 losers at the half and 58-48 at the third period stop.

Only in the final canto were the Penmanmen able to outscore their opponents, but time cut the Ridgway rally short of victory. Bruce Walters had a perfect night at the charity stripe for Vienna, hitting 11 without a miss.

Ridgway's chances were severely hampered when Pat Drone, Eagle

Double Jeopardy
NEW HAVEN, Conn. — Two policemen ordered Mrs. Esther White, of Plainville to stop her automobile when she was driving through a red traffic signal. She did — by crashing into the rear of the officer's cruiser. She told them she didn't stop because she had no brakes. Officers said she had no driver's license, either.

Oldest lighthouse in the United States is at Sandy Hook, N. J., erected in 1763.

If it's worth keeping— It Should Be In A Safe Deposit Box!

You probably have keepsakes at home that are valuable only to you. But if they are worth preserving, you should put them in a Harrisburg National Bank Safe Deposit Box. There they will be protected against loss, fire and even theft.

Figure the least you could lose... isn't it many times the annual cost of a thief-proof, fire-safe box at the Harrisburg National Bank? Better act before misfortune does!

Two Excellent Drill Stem Tests on Flanders Well

(Continued from Page One)

NE quarter of Section 2, 8-7e, and its O. Reeder No. 1 in the SE corner of the SW quarter of the NE quarter of the same section.

Calvert's Amanda Scroggin et al No. 1 in the SE corner of the SE quarter of the SW quarter of Section 2, 8-7e, was testing after hydraulic fracture in the Waltersburg at 2102-08. Drilled to a total depth of 2806, five and one-half inch casing was set at 2181 and was perforated with 48 shots. Fractured with 2000 fluid and 3000 of sand, the test flowed 40 barrels of oil the first hour, 55 the second hour, 60 the third hour and flowed 555 barrels of oil in 19 hours.

Miller's Spurlock-Rapp-Jones communitized No. 3, 430 feet north and 330 feet west of the SE corner of the NE quarter of the SW quarter of Section 2, 8-6e (Raleigh), was being put on pump to test the Cypress. Drilled to a total depth of 2624 it swabbed five and one-half barrels of oil and a show of water per hour after hydraulic fracture with 1000 fluid and 1000 sand.

Wildcat Neel Test
Southern Oil Development's Barney Neel No. 1, a wildcat in the SE corner of the NW quarter of the NE quarter of Section 9, 8-7e, was drilling at 989 with ten-inch pipe set at 100.

Calvert's Fowler No. 1 in the NE corner of the SE quarter of the NE quarter of Section 11, 8-7e, was drilling at 958 with ten-inch pipe set at 65.

New Illinois Mid-Continent's Leslie Stinson No. B-1, in the SW corner of the NE quarter of the SW quarter of Section 17, 8-7e, was located for drilling.

Davis-Menhaff's Lucile Goschorn communitized No. 1 in the SE corner of the NW quarter of the NW quarter of Section 20, 8-7e, was clearing out to test the Palestine at 1916-24 and 1947-61, and the Tar Springs at 2184-95. The hole was drilled to 2195 and stopped in saturation. A two-hour drill stem test in the Palestine at 1913-24 gassed in 14 minutes, recovering 50 feet of oil and 15 feet of mud cut oil with a bottom hole pressure of 840 feet. A two-hour drill stem test in the Tar Springs at 2183-95 gassed in 9 minutes, recovering 480 feet of oil with a bottom hole pressure of 990 pounds.

Test Waltersburg
The Humphrey-Tremont Beulah Heights school communitized No. 2, 245 feet south and 330 feet west of the NE corner of the NW quarter of the SE quarter of Section 20, 8-7e, was testing the Waltersburg at 2109-26 and 2133-42. The Twin 2-A, 245 feet south and 350 feet west of the NE corner of the NW quarter of the SE quarter of the same section, was cleaning out and testing the Aux Vases at 2882-94.

Stelle's Sahara Coal-Collins communitized No. 1 in the NW corner of the NE quarter of the SE quarter of Section 20, 8-7e, was rigging up cable tools to test the Waltersburg. Total depth was 2187.

Stelle's Sahara-Collins No. 2 in the NE corner of the NE quarter of the SE quarter of the same section was drilling under the surface. Roy Fiedler's West Beulah Hts. Unit No. 1, 340 feet south and 256 feet east of the NW corner of the SW quarter of the SE quarter of Section 20, 8-7e, was waiting on cement.

Other Activity
Pledger's Jones Unit No. 1 in the SE corner of the NW quarter of the SE quarter of Section 20, 8-7e, was waiting on cement. It is on Lot 3, Block 4 in A. G. Jones subdivision in Beulah Heights.

Pledger's O. S. Young Estate unit No. 1 in the NW corner of the SW quarter of the NW quarter Section 21, 8-7e, was drilling at 2228.

G. L. Reasor's James H. Porter No. 4 in the NE corner of the SE quarter of the NW quarter of Section 23, 8-7e, was running a drill stem test on the Tar Springs at 2213.

The Sun Oil Company's Blankenship-Kittinger Unit No. 1 in the NW corner of the SE quarter of the SW quarter of Section 24, 8-7e, was cleaning out and testing after perforating the Tar Springs at 2171-81 with total depth 3050. Five and one-half inch casing was set at 2324, swabbing two gallons of oil and 23 gallons of water per hour natural.

The planet Pluto is about 3,666,000,000 miles from the sun.

NUMBER, PLEASE? — While still in the middle of his lunch, Gustav, the squirrel, decides to call his girl friend. Just what the happy tidings are is a big secret. Gus keeps the reason for his frivolity as well hidden as he does his supply of nuts, buried somewhere in Orebro Sweden.

Eagles Defeat Carmi's Bull Dogs, 36 to 32

Second Straight Victory for Eldorado Five

The Eldorado Eagles travelled to Carmi Friday night and defeated the Carmi Bull Dogs by a score of 36-32. This was the opening game of the season for the White county team and marked Eldorado's second win in as many starts.

Eldorado started slowly and trailed 13-3 after a quarter of play. A second-quarter Eagle rally knotted the count 17-all at half time.

Carmi held a 24-23 advantage after three quarters; during the fourth frame the score was tied 30-30, then Eldorado took the lead and held on for the 36-32 victory.

Both teams were off in their shooting, with Eldorado showing a complete reversal of form at the free throw line from their opening game performance. Last night the Eagles hit just eight of 22 attempts. Last week against Benton the record was 26 hits in 40 tries.

Last night's game was the first in Carmi's large, new gymnasium, a part of a big high school building program.

Carmi won the preliminary game, 41-32.

Tonight Eldorado plays at Harrisburg.

Carrier Mills Drops 66-54 Tilt At Johnston City

Indians Outscore Wildcats 25-8 In Third Quarter

Carrier Mills' high school cagers experienced a terrible third quarter at Johnston City Friday night in dropping a 66-54 decision.

After playing on even terms, 22-22 for the first half, Carrier Mills was outscored 25-8 in the third frame to trail the Indians 47-30 as the final frame got underway.

The Wildcats got back in the game in the last period and whittled the difference to a respectable 12 points.

Johnston City really racked 'em up in the third quarter, using a jump shot to score over the heads of the shorter Carrier Mills team, hitting 10 times from the field.

James Reid, junior guard, threw away his crutches to pace the Carrier Mills scoring with 21 points.

Reid came down hard in practice earlier in the week and sprained an ankle. He was on crutches as late as noon Friday.

The ankle responded to treatment sufficiently that it was decided he could give the injury a test by warming up with the team in pregame practice. Then he started and played the entire game.

Reports this morning were that the ankle apparently wasn't injured in any degree as a result of the play.

Johnston City took the preliminary game, 48-45.

Carrier Mills plays at home Tuesday, entertaining Cave-in-Rock.

Equality Edges Galatia, 42-41, In Loop Contest

Applying a pressing defense throughout the game, Equality surprised Galatia's Bearcats by pulling out of a first half deficit and capturing a 42-41 decision in a ragged contest. It was the third conference setback for the defending champs.

Galatia opened fast and quickly piled up a 10-1 lead on the host Cardinals. The Bearcats hit seven of nine attempts from the field in the opening period and took a 16-7 edge at the end of the quarter.

Evidence that Equality intended to make a game of it began to show up in the second period. Galatia moved away 20-9 early in the period, but the Cards kept inching up. In the closing minutes of the first half, Equality narrowed the gap to 27-23.

During the second half Galatia's fine first quarter offensive never put in an appearance. Both teams lapsed into ragged ball at times, as Equality continued to press the entire length of the floor.

Wooley Scores 22 Points
The Cards, who had outscored their opponents 16-11 in the second quarter, came back to top them again in the third period, 10-7, thus narrowing Galatia's leadership to a mere point, 34-33.

Glen Clarida connected shortly after the fourth opened to give the 'Cats a 36-33 margin, but Equality retaliated swiftly, knotting the count at 36-all. Galatia again drew ahead 38-36, only to see the Cards tie the score. With slightly more than four minutes remaining, big Ken Wooley hit to send Equality in front for the first time. Tate tied the count, but Wooley again sent the Cards ahead.

In the waning minutes, both clubs missed free throw efforts. Clarida bagged one free attempt to slice the margin to one point, but the clock cut short a desperate Galatia bid in the final 11 seconds.

Wooley, the big offensive gun of the evening with 22 points, scored all nine of Equality's tallies in the last quarter, before fouling out in the last 20 seconds.

Galatia outscored Equality from the field, hitting 15 of 37 attempts. The Cards made 13 of 45. At the foul line, the 'Cats hit 11 of 18, their opponents, 16 of 26.

Locals Play Eldorado Tonight at Davenport Gym in First Home Game

The Harrisburg Bull Dogs opened their 1954-55 cage season at Herrin last night and lost, 61 to 27. Tonight they open their home season, entertaining Eldorado at Davenport gym.

The Bull Dogs did not look good last night. Although the opposition was a fine outfit, the locals could not hit and poise and timing were lacking.

In fact, Harrisburg made but three field goals all night. Biggest consolation was that it was the first game for the locals and the third for Herrin, and maybe the Bull Dogs ironed out some of the kinks in last night's encounter.

Harrisburg Coach Gene Bland used his entire squad of 14 boys in an effort to find his best combination. Herrin used a like number as the Tigers rolled up a convincing lead and gave everybody a chance to play.

Lawrence Scores 22 Points
Although the Bull Dogs have some tall boys, they were up against real height last night. Herrin's Tom Thomas is 6-6, Luther Lovelace and Ted Green are both 6-5 and Joe DeWees is 6-4. The first string guards, Gray and Jones, are both 5-8, but excellent, and the big scorer of them all, Bill Lawrence, is 6-2. Lawrence was leading scorer in the South Seven last year and appears to be on his way this season. He piled up 22 points last night.

Harrisburg took the lead at the outset on Dave Anglin's basket but it didn't last long. And it was a long time—the third quarter to be exact—before the Bull Dogs got their next field goal. Two were made in that frame and that ended the scoring from the field.

Herrin led 20-11 at the quarter, 38-17 at the half and 49-21 at the end of the third period.

Harrisburg starters were Anglin and Dave Harrison at forwards, Gerald Wasson at center and Don Price and Charles Polk at forwards. Coach Leodio Cabutti of Herrin started Thomas at center, DeWees and Gray at forwards and Jones and Gray at guards.

Herrin led 20-11 at the quarter, 38-17 at the half and 49-21 at the end of the third period.

THE STATE versus PAUL M.

This scene is all too common in American courts. It is the fateful climax of the problem we call JUVENILE DELINQUENCY. But there is another, an earlier scene, which has never been photographed. It happens so quietly, with so little drama, that no photographer has tried to catch it.

In the case of THE STATE versus PAUL M. it happened fifteen years ago. Paul was a little shaver then. It was early on a Sunday morning, and the church bells were ringing. Paul heard them as he played quietly in his room. They were a reminder that this was the morning he must be very quiet, because Daddy and Mama must catch up on their sleep.

Daddy heard them and pulled the covers over his ear. "Why," he thought, "must they ring for Sunday School as well as church?" Mama heard them; and got up to start the coffee.

God heard them, too. And only God knew that in this tranquil scene, which His bells left undisturbed, sentence had been passed in the case of THE STATE versus PAUL M.

Sunday School Lesson

By Dr. Archie E. Brown
Pastor First Baptist Church
Vandalia, Ill.

'A Cry from The Depths'

Psalms 130:1-6; 86:3-5, 11-13
GOLDEN TEXT: "For thou, Lord, art good, and ready to forgive, and plenteous in mercy unto all them that call upon thee." (Psalms 86:5)

INTRODUCTION: We excuse sin too easily today. Men wink at sin and try to explain it away. It seems that people today think that God has changed His mind about the punishment for sin. Those who think that way are sadly mistaken. If one wants to know what God thinks of sin, let him go to Calvary's Cross and there see God giving his only begotten Son because of man's sins.

People speak of God as being a God of love, and they say to themselves, "He will not be too hard on me. He understands me." You may be sure that He does understand you. That is exactly why He will permit you to be punished for every sin of your life. Yes, God is a God of love. The Bible teaches that He is also a God of wrath and a jealous God. He will not permit sin to go unpunished. "OUT OF THE DEPTHS HAVE I CRIED" (Ps. 130:1-4)

The psalmist was under deep conviction as he spoke these words. My! how we need that kind of conviction today. People sin often without the slightest quiver of conscience.

Conviction will cause one to be deeply sorry for his sin. One under conviction often loses sleep and appetite until he is assured of forgiveness by God, the Father. Thank God, no matter how deep the sin, He is ready to hear the cry from a repenting sinner. II "MY SOUL WAITETH ON THE LORD" (Ps. 130:5-6)

Waiting upon the Lord will result in genuine repentance. Repentance is more than being sorry. It is the actual turning away from sin. When one repents, he stops doing the sinful thing that has been besetting him. Real repentance brings about a complete change of heart.
